

## **CLASS OF 2029 NEW STUDENT INFORMATION**

Students enrolled in Districts 122 or 123 will receive course selection materials and placement recommendations in advance of these events. Students who do not currently attend Simmons or OLHMS but who live within District 229 boundaries will be provided with additional information on placement. Please contact Adrienne Gannon, Registrar at 708-741-5626

### **Incoming Freshmen Curriculum Night Wednesday, January 22, 2025 (7:00pm)**

All families of current 8th grade students residing in District 229 are invited to attend our Incoming Freshmen Curriculum Night. School leaders will provide an overview of the school's academic program and general information about typical freshmen course. After the general session, students and families can visit multiple elective areas and meet with teachers for additional information on offerings in foreign language, industrial technology, business, family/consumer sciences, art and music.

### **Course Selection Appointments Wednesday, February 5th, 2025 (3:30 - 7:15pm)**

All families of current 8th grade students planning to attend OLCHS will be asked to sign-up for a time slot during which an administrator or school counselor will assist each family with course selection for the 25-26 school year in an individualized session.

Students currently receiving special education services will not need an appointment; they will finalize their course selections at their annual reviews scheduled for February at Simmons and Oak Lawn Hometown Middle Schools.

Students who do not currently attend Simmons or OLHMS but who live within District 229 boundaries should have Aspire, MAP or iReady scores available to assist in placement conversations.
