TITLE I

OLCHS PARTICIPATES IN TITLE I, PART A PROGRAMS

Title I, Part A requires:

Parents receive a description and explanation of the school's curriculum.

Parents are informed about the academic assessment used to measure children's progress.

Parents receive information about the proficiency levels students are expected to meet.

Parents have a right to be involved in Title I, Part A programs.

Parents will receive timely notice if their child has been assigned or has been taught for four (4) or more consecutive weeks by a teacher who is not highly qualified. Currently, all OLCHS teachers are highly qualified within the meaning of the term in section 200.56 of the Title I Final Regulations (67 Fed. Reg. 71710, December 2, 2002)

Today

Oak Lawn Community High School envisions a school that develops future-ready citizens who:

- respect and embrace high standards of learning,
- strive to be responsible, engaged individuals of strong character,
- partner with our diverse communities,
- possess the skills and knowledge to innovate in the global economy.

Simply put, after four years, Spartans will be prepared for whatever is it they want to do when they graduate.

OLCHS had to re-imagine learning due to the global pandemic, and we were ready. Staff

CLASS OF 2029 STUDENT PLACEMENT

OLCHS works collaboratively with 8th grade teachers to determine placements for incoming freshmen based on MAP scores and middle school academic performance. All placements have been reviewed and agreed upon by teachers at OLCHS and Simmons*.

For more details, please refer to the Placement Guidelines also included in your packet. If you have questions or concerns, please reach out to the appropriate administrator listed below.

English Placement:
English Department Chair Mrs. Erika Johnson ejohnson@olchs.org

Math Placement:
Math Department Chair Mr. Chris Newton cnewton@olchs.org

Science Placement:
Science Department Chair Mr. Michael Bielski mbielski@olchs.org

PLEASE NOTE: Families of students with IEPs will NOT have to sign up or attend a registration conference. Your courses are selected by the IEP team at your student's annual review/transition meeting. An OLCHS staff member will be attending those conferences in late January/early February.

If you have other questions about the course selection or registration process, please call the school at 708-428-5200.

*Simmons placements will be confirmed before Course Selection on February 5, 2025.

Core course placements were determined using 8th grade teacher input, prior achievement, & MAP scores as available.

CLASS OF 2029

Selecting Electives By Career Cluster

(Also see the Spartan Guide to Career Pathways - see page 4)

OAK LAWN COMMUNITY HIGH SCHOOL

We believe students should select elective courses that connect with their career interests and post-secondary goals. To better identify possible career interests, we recommend that your child completes a Career Cluster Interest Inventory to identify their top Career Clusters. Career Clusters are nationally recognized groups of occupations that require similar knowledge and skills. Students, parents, and educators can use Career Clusters to help focus education plans towards obtaining the necessary knowledge, competencies, and training for success in a particular career pathway. Your child will work with a school counselor to develop this education plan.

To take the Career Cluster Interest Inventory, go to <https://tinurl.com/OLCHSCUSTER>.

To explore OLCHS Electives available to Freshmen that connect to your child's top Career Cluster, use the chart below and the Course Descriptions on the back of this form.

Oak Lawn Community High School -- Class of 2029 Placement Guidelines for the 2025-2026 School Year

In addition to standardized test scores, OLCHS will include additional criteria for placement into freshman-level classes. This is an opportunity for students to enrich their learning experience and be placed into the most appropriate course in each subject area. Students are encouraged to take the most challenging coursework that they are prepared for and will receive appropriate support regardless of placement.

The Class of 2029 Placement Process includes student and family input in the selection of classes. In order to do so, we will consider the following information when determining placement:

1. Middle School Teacher Recommendation
2. Standardized Test Scores and/or Writing Samples
3. Eighth Grade Grades in Progress (or Standards Met)
4. Student Elective Interest
5. Student/Family Enrollment Requests

All course placements were determined collaboratively with OLHMS and Simmons. Spanish and Arabic placements are in progress.
