

Oak Lawn Community High School

Pass/Fail Grade Option Form

For the 2020-21 school year, a Pass/Fail Grade Option will be available to all Oak Lawn Community High School students. Students can elect to take up to one non-graduation required course per semester, ***except Honors and AP courses***. The purpose of this option is to allow students the opportunity to take certain classes without the passing grade affecting their Grade Point Average (GPA). Any passing grade will result in a "P" on the student's transcript. If the student fails the class, a grade of "F" will appear on the student's transcript and the "F" will be calculated into the student's GPA. A separate form needs to be completed for each semester. The decision to utilize this option cannot be changed.

Attention Student Athletes: If you are potentially applying to a Division I or Division II college, the NCAA Eligibility Center will assign a D for any Pass grade on your transcript. Talk to your counselor before deciding to take a NCAA qualified core course as Pass/Fail.
