Transfer Students:

Per Illinois School Code [105 ILCS 5/27-8.1], it is mandatory that all new and/or transfer students, who were not previously examined for a 9th grade physical in Illinois, have a physical examination completed (with verification of the minimum immunizations) on file before the student's first day in attendance. Refer to this *Freshman Admin Letter* for more detail to vaccination requirements.

In addition, all transfer students that are new to Illinois are required a state of Illinois eye exam. Please see forms list for *Illinois Eye Exam Form*, print and bring to your eye exam. Once completed, return form to Health Office (rm. 140).
